Hi Heather,

I have no record of this case being scheduled for this week. It is going to be difficult for me to be available for certain on Thursday as we are short staffed in the evidence office. I will provide my notes for Kate as she has indicated she is willing to be on call. Any questions please be in touch with either one of us.

Thank you,

Hi Kate and Elisabeth-

Sorry to bother you again, but I just spoke with defense counsel and he suggested Thursday, March 11th. Would one of you be available that day (even to be on call)?

Thanks and I am sorry for the short notice!
Heather

Hi Kate and Elisabeth-

I am now the ADA assigned to the Travis case. It was set for trial this coming Wednesday but one of the officers just informed me that he cannot be in court on that date so I am going to have case A&C'd. Can you please let me know if you are available that week and if there are any days that you know will not work for you?

Thank you very much,
Heather
